

**PRE-CONSENT CERTIFICATE**  
**Article 14(1) of Regulation EC 1013/2006**

1. The Environment Agency, in its capacity as the competent authority of destination for England, hereby certifies that

**Mastermelt Refining Services Limited**  
**Companies House number: 04029877**

has been issued with a pre-consent under Article 14(1) of EC Regulation 1013/2006. This pre-consent is limited to the recovery of the wastes using the technologies specified in the Schedule to this Certificate.

2. This pre-consent applies only to the recovery facility located at:

**Staden Lane**  
**Ashbourne Road**  
**Buxton**  
**Derbyshire**  
**SK17 9RZ**

and is not transferable to any other facilities operated by the same company.

3. This pre-consent shall be valid from **1<sup>st</sup> April 2020** and shall expire on **31<sup>st</sup> March 2030**.

Signed: 

Designation: International Waste Shipments Manager

Date: 1<sup>st</sup> April 2020

**NOTES ABOUT THIS PRE-CONSENT**

1. The pre-consent is issued on the understanding that the Company named in the Pre-consent Certificate ("the Certificate") is authorised to process waste at the stated facility and has an appropriate environmental permit ("the Permit") which is issued under appropriate legislation. Nothing in this document may be construed as varying the Permit and if there is any ambiguity between this document and the Permit, the Permit must take precedence.
2. The pre-consent may be revoked by the Environment Agency at any time. All revocations will be confirmed in writing by issue of a Notice.
3. All international shipments of waste to the facility stated in the Certificate must comply with the procedures for prior notification and consent and may benefit from derogations laid down in Article 14(2) and 14(4).
